The following are offered as training and development tools for 2012 Indiana ASA registered umpires, in good standing, who wish to further develop their knowledge and understanding of the game, the official rules of the game, mechanics, positioning and how to manage the game and its' participants. At these events, we will break into small groups and using the rulebook complete the 2012 Umpire Exam.

> Upon attending one of the three State Umpire Clinics and attending a State Comprehensive or National Umpire School (in 2010, 2011 or 2012) you will meet eligibility requirements for 2012 State and National Championship Tournaments.
